Dear Governor Shapiro,
I am writing to express my support that you end state collaboration with ICE. Immigrant families are Pennsylvanian families and right now our communities are under attack. Now is the time for action: end JNET and CLEAN database access to ICE, end the enforcement of ICE detainers and prohibit the use of state spaces, employee time and money for immigration enforcement, issue an Emergency Removal Order on the Abraxas child detention center, strengthen the state trooper ICE policy, protect information in public benefit programs, prohibit ICE arrests in state facilities, never lease or sell a state facility to ICE, and allowing state departments to demonstrate support for the drivers licenses for all campaign (HB 1518). We need our Governor to stand up for immigrant communities.
